Obituary

Jeanie (Mar Mar) Adams

19 August 1923 - 14 March 2014 91 years

WELCOME

On behalf of our family, I would like to welcome you to sale number 26 for us.

Well another year has come and gone since writing these notes, and another set of challenges has faced most of us. A lean season to say the least, with a lower than expected cattle market with backlogs at abattoirs and feedlots has seen many of us in situations not familiar to me anyway.

One constant that you can rely on though through all the challenges is that quality cattle still make the best returns.

In April this year Jean Adams, affectionately known as MarMar to us, passed away after a long battle with Alzheimers. When I hear the stories of what my grandparents went through to get themselves started at Dangarfield it amazes me. We are all grateful for what they have managed to establish and leave behind for their family.

This year we have assembled 96 bulls for your competition. They are sired by 22 different sires and 12 of these have their first release offering up for grabs. We are committed to investing in fresh bloodlines each year and at times this is not easy, or cheap, but we do this so that it offers plenty of bloodlines to select through, making it possible for return clientele to select replacement sires from us year in, year out.

We are big believers in what goes around comes around, and we are constantly humbled by our strong loyal return clientele. We try to support our local community as much as we can as our local clients are very loyal to us.

This year's sale draft were all weaned onto Leucaena where they stayed until late June and early July, when they were started on a mix containing chaff and Nutramix bull pellets. We like to have our bulls prepared for a long working life, NOT fed for sale day! We do not feed them for months on end before the sale, they are only in preparation for 60-80 days depending on the conditions. In their open grass paddocks the bulls are made to walk 1km from feed to water, meaning that they all walk 4-6km per day, keeping them fit and healthy. I frequently get comments about the condition of our bulls in our catalogue photos and whether or not they should be printed and/or do the bull justice. Please note that these photos are only taken in July each year, just after they have been placed into sale preparation.

What you see in our catalogue photos is basically paddock conditioned, pasture fed bulls, in the middle of winter. If nothing else, these photos prove that they only have minimal preparation.

Watch out for the video footage for each bull - available on our website in mid September (on the home page under latest news).

The four generations of Adams' running Dangarfield have all strived for quality cattle and take great pride in what we do and produce. Please feel free to give us, or your preferred agent a call and come for an inspection at any time. We'd be only too pleased to show you first-hand how we do things around here, and are always up for a yarn.

I hope you enjoy your day with us. Sometimes during the course of a year I do wonder why we do what we do, but at the end of it all I don't know of a more satisfying day. **After seeing not only clients but also good family friends investing in their future from an offering of bulls that we put up in our sale, which have been several years in the making, and then being able to down a few prawns and cold beers with them afterwards, it is a very rewarding way to spend a day!**

The more time I spend around the people involved in this breed the more I come to appreciate how lucky we all are. From the staff of the Santa Gertrudis Association, who keep things moving along, to fellow stud breeders and through to commercial producers, there are plenty of people involved throughout that I enjoy catching up with and sharing a beer with when we can. A Santa sale is as much a social day out as it is an important day of business for all concerned.

Thank you for taking the time to show interest in our cattle.

Regards
Ben Adams

*See you at "Kingswood" on

THANK YOU TO OUR AGENTS

A RURALCO PARTNER

INTRODUCTION

Since the purchase of Dangarfield in 1947, we have always strived to breed good quality, highly fertile cattle that are easy-doing with a good temperament, therefore making them efficient to manage and increasing profits with little input costs. We believe that the draft of bulls this year reflects these goals well.

The stud was founded in 1983, and strict criteria is maintained to keep them producing at an optimum. Our motto, 'Calf or Carcass' has been in force for over 40 years. Heifers are joined at twelve months of age and must calve unassisted. All females must go in calf each year thereafter or be turned over to carcass. There are only two ways that a cow doesn't make you money annually: she dies, or you don't sell her if she fails to reproduce. Our stud sires are joined to approximately 50 females, and if they don't obtain 90% or better PTIC, are removed from stud duties.

We now run three separate entities within our breeding herd: stud, purebred commercial and a cross bred terminal herd. If any sire doesn't deliver the standard we expect from them we are not afraid to downgrade them and try and replace them if need be. This is how we apply pressure to our sires to make sure they are holding up their end of the bargain and it also keeps the fresh bloodlines coming through.

For each sale bull, their dam's calving dates and calving interval have been supplied. The calving interval is calculated automatically by Herd Magic from when the first calf is born. It is the average number of days between calving dates across a dam's breeding lifespan. A fertile young cow may be penalized on this system, but as with all averages, it becomes a stronger indicator when more progeny are recorded. We have decided to supply this data in our catalogue because we believe they are among some of the best within the breed.

We have always strived to produce cattle with a low birth weight, rapid growth, with the constitution and ability to easily put on condition, with high fertility and good temperament. Our herd has already done the hard yards to produce this. It has been developed on these standards for longer than I have been around and it will continue to be pressured to achieve all of these goals.

Dangarfield bulls have served our clients well over the years, and this has seen them go to five states and territories. We constantly get feedback about their fertility, and orders for sires to be joined to maiden heifers for easy calving. Many of our clients return year after year, and knowing that we are helping our clients to progress gives us great satisfaction. Over the last eight years, 93% of our sales at auction have gone to repeat clientele.

When purchasing our cattle, you can rest assured of accurate and quality information, fertile and efficient cattle, backed by our stud, family and personal reputation. If you every have a problem with the article we sell, we want to be the first to hear.

NOTICE TO BUYERS

LOCATION:

A map to 'Kingswood' is provided in the back of the catalogue.

INSTRUCTIONS TO BUYERS:

In the interest of all buyers, all instructions covering the delivery of cattle purchased at this sale MUST be given in writing and signed by the buyer or their representative. The agents responsible for the books will provide a form for this purpose.

REBATE:

A rebate of 3% will be allowed to agents introducing buyers in writing prior to the sale, accompanying them to the sale and making settlement on their behalf within seven days of the sale.

REFRESHMENTS:

Morning tea will be available at 'Kingswood'. A bar will also be operating at the completion of the sale.

ACCOMMODATION:

Places to stay in Taroom

Leichhardt Hotel Motel: 4627 3137
Cattle Camp Motel: 4627 3412
Country Rest Cabins: 4627 3378

Accommodation may be booked through your preferred agent. Please book early.

HEALTH:

The herd is TB and Brucellosis free.
'Kingswood' is a tick-free area.
All bulls have passed a crushside semen test.

TRANSPORT:

Transport is available from 'Kingswood'.
All bulls delivered, at purchaser's risk, to saleyards at Roma, Moura, Eidsvold, Miles or similar distances.

INSPECTION:

Inspection of cattle may be arranged any time prior to the sale.

AIRSTRIp DETAILS:

Licensed Taroom-Wandoan Airstrip (23km from Taroom)
Longitude: 149° 48' 0" E Latitude: 25° 39' 0" S

For further details, contact
Western Downs Regional Council
1300 268 624

DISCLAIMER:

Every care has been taken in compiling this catalogue to ensure accuracy of information supplied, but no responsibility is accepted for any errors which may have occurred.

INJURY TO PERSON OR PROPERTY:

All persons who attend the Sale do so at their own risk and the vendors assume no liability or responsibility, legal or otherwise, for any accident or injury which may occur.

TREATMENT HISTORY

Noted below are the treatments each sale bull has received throughout the course of their life.

May-June 2012: All breeders PTIC received 7-in-1 and Pestiguard Booster shots.
Nov-Dec 2012: Calves were branded and received one dose of 5-in-1.
May-June 2013: All weaners receive one dose of 5-in-1 and treated with Dectomax Pour-On.
Dec 2013-Jan 2014: Two doses of 3-day vaccine, 1 dose of Botulism and treated with Ivomec Pour-On.
April 2014: Classified and one dose of 3-germ blood.
June-July 2014: All bulls were started on supplementary feeding in open grass paddocks and drenched with Cattlemax Pour-On.
Aug 2014: Semen tested.

Reference Sires

DANGARFIELD QUARTERBACK (P)

DOB: 14.11.06

WACO JACK (P) 198468

DANGARFIELD JACK JUNIOR (P) 222726

DANGARFIELD 3107 (P) 166891

DANGARFIELD QUARTERBACK (P) 271596

SANTA PARK FLICKER 167885

DANGARFIELD 0131 226418

DANGARFIELD 1166 AP4.148235

Quarterback (P) stands head and shoulders above any sire we have had in our herd when you look back over what he has already achieved. Within three seasons of his progeny being marketed, 37 sons have sold at auction to average \$11,554 and gross \$427,500. A further eleven sons have been sold privately and three have been retained in the herd. Quarterback (P) also holds the title for being the sire of our record top-priced bull at \$40,000 for Universe (PS), who sold to Riverslea Group in 2013.

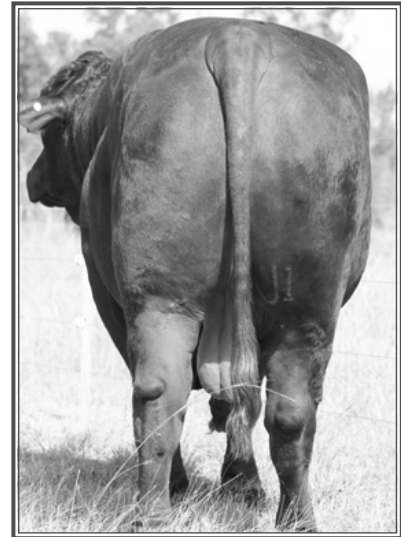

Semen of Quarterback (P) has been sold into three states and also exported to Paraguay, South Africa, Zambia and Namibia.

The constitution of Quarterback is something that has to be seen to be believed. People who have inspected him here at home have trouble believing us that he is not on feed. He holds his condition all year round, so much so that if you saw him in October after his spell season you would think he had been grain fed! This amazing constitution and doing ability off grass is a trait he passes on strongly and we are keen to get this trait through our herd as much as possible for pasture finishing.

The 2014 weaner drop by Quarterback are real top shelf progeny and if we have time it would be good to show you some of them if you are coming for an inspection at any time prior to sale.

Quarterback (P) sustained a hip injury last year and we did try him in with some cows but it is now clear that he cannot handle a paddock for natural service. We will be using him in our future ET and AI programs.

Eight sons of Quarterback (P) are in the auction this year and they can be found for sale in lots **7, 24, 51, 52, 78, 79, 85 and 86.**

Reference Sires

DANGARFIELD PATROL CHIEF

DOB: 13.10.05

DANGARFIELD HAYMAKER 205454
DANGARFIELD CACTUS JACK 235971
DANGARFIELD 8144 211133

DANGARFIELD PATROL CHIEF 261568

DANGARFIELD FRANKINSTEIN 191978
DANGARFIELD 3647 246001
DANGARFIELD 554 188002

Patrol Chief has a pedigree that combines some of our best bloodlines for fertility and performance from our herd over the last 15 years or more. His dam, 3467, had nine calves with a 366-day calving interval.

Patrol Chief was an impressive individual. Long, thick, soft and loose skinned, he had all the best qualities from his pedigree coming out in him and he passes this on to his progeny.

Patrol Chief was probably not utilised to his full potential in his early working life as he was only multiple joined. Once we realised his sire strength, he was single sired to some of our best cows.

He was found crippled halfway through the 2011/2012 joining season and had to be put down, making this his last offering of natural calves. We have not used him in our first ET programs but we fully intend to over the next couple of years.

To date 20 sons have sold at auction to gross just short of \$212,000 and average \$10,600 with a top of \$26,000 for Voltage (P) to the Triple S Stud and a second top of \$24,000 for Titan (P) selling to the Allendale Stud.

Patrol Chief is represented by lots **25, 77 and 87.**

Reference Sires

DANGARFIELD SHAMROCK (AI)

DOB: 21.08.08

DANGARFIELD EYEWITNESS 183931
DANGARFIELD IMPROVEMENT 215077
DANGARFIELD 6143 202409

DANGARFIELD SHAMROCK (AI) 283176

BIG SUR BUSHMAN 165187
DANGARFIELD 8020 211117
DANGARFIELD A241 AP4. 131611

When putting together our 2010 sale team, we spent plenty of time wondering whether or not we should offer Shamrock (AI) for sale. At 25 months he weighed 814kg with a DLG of 1.04kg off pasture, he scanned up at 112 EMA and measured 40cm for scrotal. Thankfully when he sold for \$12,000 to Cree Stud in 2010, we were lucky enough to negotiate and purchase a half share back in the bull.

Shamrock had the real style, type of carcass and good nature that we have come to expect from the Dangarfield Improvement line. You only have to look through his 13 sons in this auction team to realise that he has reproduced himself extremely well with a strong, consistent line up on offer.

His daughters are even more impressive! From our group of replacement heifers this year the several people who have seen that draft always comment on them for they style and eye catching qualities.

Shamrock's progeny classification rate is also very high with approximately 75% of his offspring branded S this year.

Unfortunately this is the only offering of Shamrock's that we will have for sale as he was injured just before he finished his season with us.

Sons of Shamrock can be found in lots
**18, 19, 20, 32, 36, 44, 54,
61, 62, 70, 80, 90 and 95.**

DANGARFIELD SECOND-TO-NONE

DOB: 13.10.08

YARRAWONGA JIMBO 197242
DUNLOP HILLBILLY 263973
DUNLOP 374 AP4.230623

DANGARFIELD SECOND-TO-NONE 283210

CAPRICORN GLENGARRY (ET) 151896
DANGARFIELD 1460 238453
DANGARFIELD 4344 AP4.178101

This sire had some impressive data backing him when we decided to retain him from our 2010 sale draft. At 23 months of age he weighed 804kg with a daily life gain of 1.10kg, scanned 120 for eye muscle and measured 42 cm scrotal circumference. This raw data was after only 55 days of light sale preparation.

Dangarfield Second-To-None has an impressive pedigree with his dam, Dangarfield 1460. She is still active in the herd at 13 years of age with 11 calves recorded to date and a 376 day calving interval. 1460 has produced two daughters that have gone into the stud, three of her sons went to auction and one son was sold privately. Dangarfield 1460 is by one of the greatest sires that we have seen in our herd - Capricorn Glengarry. Glengarry did some amazing things for us and left many great daughters producing top shelf progeny in our herd.

Dangarfield Second-To-None sustained a leg injury early in life, but this has not affected his desire to get calves! When joined in one of our larger breeder paddocks he could be found in any corner on any day, he really covered some country.

Second-To-None was leased for a half season in 2010 to Scott & Wendy Ferguson, and they sold a son of his in 2013 for \$16,000 at Santa Central.

Semen of Second-To-None has been exported to South Africa, Namibia and New Zealand.

Sons of his can be found in lots **1, 8, 11, 12, 30, 31, 45, 46, 69 and 96.**

Reference Sires

GLENN OAKS COOPER (PS)

DOB: 18.04.07

WACO KNIGHT (P) 206828
YARRAWONGA OBERG (P) 242922

GLENN OAKS COOPER (PS) 272103

WACO KNIGHT (P) 206828
YARRAWONGA NELLY (P) 225421

Purchased privately for \$25,000 after he won his strong class at the 2008 Ekka. I noticed the consistency of the Oberg progeny a couple of years before this and decided Cooper (PS) had enough quality about him to stick my neck out and buy him. Plenty of bone, a dark slick skin, a good set of testicles, tidy sheath and a strong polled head were the qualities that attracted me to him.

Cooper's daughters are particularly impressive. Each year there seems to be a Cooper (PS) daughter or two amongst my pick of the drop. He has been used in multiple joined paddocks each season and has proven himself to be a consistent calf-getter.

To date 14 sons at auction have averaged \$6,250 with a top of \$16,000 for an Australian Santa Gertrudis commercial bull record, sold in 2012 to Peter and Shari Knudsen. 6 sons that have been identified have also been sold privately and one son, Umpire, has also been retained.

In the 2012 season we put Cooper out into our multiple sire commercial herd. He sustained a couple of injuries while out there and he has since been sold, meaning this is his last offering of registered calves.

Cooper (PS) has six sons catalogued this year and they can be found in lots **10, 17, 47, 49, 68 and 89.**

Reference Sires

DANGARFIELD TORNADO

DOB: 13.11.09

DANGARFIELD JACK JUNIOR (P) 222726
DANGARFIELD QUARTERBACK (P) 271596
DANGARFIELD 0131 226418

DANGARFIELD TORNADO 292796

WAVE HILL MANILLA 209539
DANGARFIELD 2710 261328
DANGARFIELD 0316 AP4.226386

Dangarfield Tornado was retained from the first crop of Dangarfield Quarterback (P) progeny. His dam was a great looking cow with a strong track record, she had seven calves with a 370 day interval. All four of her sons classified with 3 going to auction to average \$8,000, and one daughter went into the stud.

Dangarfield Tornado is an impressive individual, being slick and dark coated with plenty of loose skin, with a perfect sheath and structure. He strides around his paddock with ease and it is a pleasure to watch him cover the country.

He won many championships in his two years on the show circuit, including Beef Week 2012 and the 8th Santa Gertrudis World Congress held in Brisbane in 2012.

We are impressed by how Tornado has reproduced consistency within his progeny. His daughters are certainly eye-catching. Interestingly, Tornado only produced the one son from his first crop, and his is at lot 2.

We will have plenty more of his sons in next year's sale.

Semen from Tornado has been exported to South Africa, Namibia and New Zealand.

Son at lot 2.

DUNLOP KALAHARI

DOB: 25.08.08

YARRAWONGA OUTRANK 236373
GLENN OAKS A62 263961
GLENN OAKS X45 263987

DUNLOP KALAHARI 285248

DUNLOP SY835 AP2.285644

Kalahari was purchased in 2011 from Santa Central for \$28,000 for the top priced unled bull and the top priced horned Santa Gertrudis bull sold in Australia that year.

We took a liking to Kalahari for his character, scale and carcass quality. Kalahari has a good, thick topline and is strong into the shoulders. He has a docile nature, but not when there is work to be done! He is very active and has been multiple sire mated for three seasons, siring more than his fair share of calves. Just take a look at the number of sons in this sale. I don't think we have ever catalogued 11 sons from any multiple joined sire?!

Kalahari is producing a consistent line of progeny and he is certainly putting his stamp on them. His first seven sons sold last year to a top of \$10,000 and averaged \$5,286.

In the 2014/2015 season Kalahari will be single-sire mated to a paddock of predominately polled cows.

Kalahari's progeny can be found in lots **15, 28, 33, 34, 37, 39, 43, 48, 53, 65 and 81**.

WACO LANDLORD (P) 214203
WARENDA ROLEX 256125
WILGARON FLOSSY 221500

HARDIGREEN PARK LEGEND 278129

PINAROO JOCK 174489
PINAROO D78 221915
PINAROO L46 AP4.191674

Purchased as equal top priced unled bull at the 2009 Santa Central sale for \$16,000.

Here at Dangarfield we all appreciate the placid nature and easy doing ability of the Legend progeny.

If you want to breed big, easy doing, quiet bullocks to turn off pasture I strongly suggest having a good look through this offering of Legend sons. We have retained three sons of Legend for our stud and commercial herds for this purpose. Legend himself is a very active sire. In his first year he returned a preg test result of 54/55 PTIC. In his second year he came up with 54/56 PTIC. We have retained plenty of daughters and they are returning good pregnancy test results.

Legend is a big sire with great length, 1150kg in his working clothes, a bombproof nature with large bone and a good coat. He produces a consistent line of progeny that are easy to identify from a distance when driving around.

To date 18 sons have sold at auction to average \$5,777 to a top of \$12,000 for Viper (P) who sold to Riverslea Stud.

Legend sons can be found at lots **14, 38, 40, 42, 55 and 92**.

Dangarfield Feedlot Heifers

"In early 2014 I contracted a pen of 168 Dangarfield heifers. The entire pen averaged 2.43kg/day over their 105 days setting a new heifer weight gain benchmark at Talbingo feedlot.

Over the past 12 months heifers fed there have averaged 2.2kg/day. This equates to the Dangarfield heifers putting on an extra 24kg. It's a pleasure to feed cattle that just keep getting better and better".

VALE Maureen Williams

Maureen Williams passed away late last year.

She played a large roll fundraising for the local community and her efforts will be missed by many in the Taroom area. Maureen basically organised the catering for our sale of many years including our 25th anniversary sale in 2013.

Our condolences go out to all of her family.

Rest in Peace Maudie.

Margaret Neill, Newstead Pastoral Co. Surat, sold 316kg Santa-cross steers to return 195c/\$617/head to top the market at Roma store sale on the 8th of July 2014.

These steers were predominantly by Dangarfield Treaty who was purchased for \$4,500 at the 2011 sale. Treaty is by none other than Dangarfield Quarterback (P).

"Treaty has an unbelievable temperament and he is always in top condition. He has really given my calves a hindquarter profile and I have retained all of his daughters for future breeders. He is by far the best bull I have ever owned. I couldn't be happier".

Margaret Neill

QUEENSLAND LIVESTOCK AGENTS ASSN LTD

STANDARD STUD STOCK - AUCTION TERMS & CONDITIONS OF SALE

IMPORTANT NOTICE

All bids shall be treated as offers made upon the following Terms and Conditions of Sale and all persons present are admitted to attend the sale on the basis that they have notice of these Terms and Conditions.

1. The highest bidder shall, subject to Condition 2, be the purchaser provided that the vendor reserves the right to bid either by himself or through his agent or auctioneer and should any dispute arise among the bidders for any lot, during or immediately after sale of the lot, it shall be settled at the auctioneers absolute discretion who may, should one of the disputants advance, put the lot or lots up again. The bidding from time to time shall be regulated by the auctioneer and no bid shall be retracted.

2. The sale will be conducted on a "Sale" or "No Sale" basis whereby the lot for sale shall be knocked down to the highest bidder, but the sale will be subject to the acceptance of the highest bid by the vendor who will immediately after the fall of the hammer declare "Sale" or "No Sale". Should the vendor reject the bid of the highest bidder such bidder will have the right of first refusal of the lot at the vendor's nominated price for one hour after the lot has been passed out of the ring on the Terms and Conditions herein set forth in so far as they shall apply.

3. The details of the purchaser, the purchase price and the lot sold as recorded by the sale clerk for and on behalf of the auctioneer shall be equally binding on both purchaser and vendor.

4. The auctioneer expressly reserves the right, without giving any reason therefore, to:-

- (a) Refuse to acknowledge any bid;
- (b) Withdraw any lot or lots before or during the sale;
- (c) Exclude any person from the auction venue should it think fit.

5. Each lot in all cases shall be at the risk and expense of the purchaser, upon acceptance of his bid by the vendor or upon acceptance of the highest bidder's offer by the vendor whichever shall be the earlier.

6. Except as expressly provided in these Terms and Conditions of Sale no guarantee or warranty shall be given in respect of any lot sold under these Conditions as to pedigree, sex, age, breeding condition or otherwise howsoever, and no guarantee, warranty or condition whatsoever shall be implied from any affirmation made before or at the time of the sale, or from any circumstances of the sale, but in all cases where a guarantee is intended the same shall attach and be enforceable only if reduced to writing before delivery of the lot and signed by the vendor or by the auctioneer acting as agent for the vendor, and the absence of such writing shall be conclusive evidence in case of dispute that no guarantee warranty or condition whatsoever was given or implied.

7. In the event of any dispute in respect to the sale of any lot:-

- (i) The purchaser shall nevertheless be obliged to pay to the auctioneer the full purchase price and any other moneys or interest payable by the purchaser in accordance with these terms and conditions.
- (ii) The vendor and the purchaser shall resolve the dispute between themselves;
- (iii) The auctioneer shall have no liability or responsibility in regard to the dispute; and
- (iv) No lot shall be returned to the auctioneer and the purchaser shall indemnify the auctioneer for all costs, expenses and damages which the auctioneer is put to or incurs by reason of the purchaser so doing.

8. The name of the vendor for whom the auctioneer acts is acknowledged to have been furnished to purchasers prior to sale and further particulars will in all cases be furnished to a purchaser if required. In the case of any dispute the remedy of the purchaser shall be against the vendor only and in no case or under any circumstances against the auctioneer who is to be regarded for all intents and purposes as agent for a disclosed principal.

9(a) PAYMENT - Unless prior credit arrangements have been made in writing with the auctioneer the full purchase price for each lot shall be due and payable to the auctioneer in cash upon acceptance of the highest bid or the highest bidder's offer by the vendor and prior to delivery. Notwithstanding that delivery is given to or possession obtained by the purchaser or his representative prior to the payment of the purchase money in full the property in any lot which is sold shall not pass to the purchaser until the full purchase price and all cheques, promissory notes, bills of exchange, acceptance orders or drafts given in connection with such payment have been paid and liquidated, and until property shall pass, the purchaser shall hold such lot as bailee, provided that in all cases should such payment not have been made and liquidated within 14 days of the date of the sale the auctioneer reserves the right to:-

- (i) Rescind the contract on behalf of the vendor and repossess and resell any lot;
- (ii) Recover from the purchaser interest upon the purchase price at a rate per annum

which aggregates the 90 day Bill Rate plus two percentum. For the purposes of this condition "the 90 day Bill Rate" is the rate published regularly in the Australian Financial Review, expressed as a percentage per annum. If at any time the Financial Review ceases to publish a 90 day Bill Rate, the auctioneer shall determine and advise the purchaser of the interest rate to apply for the purpose of this condition.

(b) The auctioneer is selling as the del credere agent of the vendor and the full purchase price of any lot sold shall be payable by the purchaser to the auctioneer and be fully recoverable by the auctioneer in its own name.

10. If the purchaser shall neglect or fail to comply with any of the within conditions, any lot purchased by him may be immediately resold by public auction or private contract, with or without notice, at the risk of the former purchaser, who will be held responsible for all loss and expenses arising out of such resale, and shall not participate in any profit accruing therefrom.

11. Any vendor or purchaser removing the sale number from any lot after it has been sold will fully indemnify all affected parties for any loss, costs or damage should the lot be wrongly delivered.

12. The purchasers, if more than one, shall be jointly and severally bound by these Terms and Conditions, and shall jointly and severally carry out and perform same.

13. Any person who advances a bid on a lot shall do so on the expressed condition and understanding that should that person's bid be the highest bid and such bid is accepted by the vendor, then that person will be held personally liable for the price so agreed upon, regardless of the fact that that person may be acting on behalf of another party, either disclosed or undisclosed to the vendor or the auctioneer, provided however, that this Condition shall not in any way negate the vendor's right to claim against any principal and in such case the bidder's liability shall be construed to be by way of guarantee.

14. The auctioneer may, should it think fit, make arrangements on a purchaser's behalf for the feeding, watering, trucking, shipping of and general attendance on any lot after sale but no responsibility will be accepted by the auctioneer and all such service will be at the purchaser's risk and expense.

15. No lot will be delivered until the sales invoice has been checked and signed by the purchaser or his duly authorised representative.

16(a) Each lot in all cases shall be sold with all faults, if any, and excepting those conditions and warranties implied by the Trade Practices Act or any applicable State legislation which cannot be contractually excluded and excepting conditions and warranties expressly contained in these Terms and Conditions of Sale, any express or implied condition, statement or warranty, statutory or otherwise, is hereby excluded. The auctioneer is not liable in respect of any error, misdescription or omission in any particulars appearing or stated regarding the descriptions or pedigrees of any lot offered for sale and no such error, misdescription or omission shall entitle the purchaser to annul the sale or reject the lot or claim any compensation, damage or abatement in price.

(b) Each lot will be sold subject to passing all veterinary tests required by the law of the State or country to which the purchaser intends to transport that particular lot, such tests to be undertaken at the purchaser's expense and concluded immediately following the sale. In the event of a lot failing to pass these tests, the sale shall be null and void, any purchase moneys paid by the purchaser shall be refunded and property in the lot shall revert to or remain with the vendor.

17. GUARANTEES OF FERTILITY:-

17.1 BULLS. Save and except for calves at foot, all bulls are guaranteed breeders and to so prove within six months of the date of sale or by reaching the age of 30 months whichever date shall be the later.

17.2 FEMALES. Save and except for female calves at foot, all females are guaranteed to be in calf or go into calf within six months of the date of sale or by the age of 30 months whichever date shall be the later. A positive pregnancy test certified by a qualified veterinary surgeon shall be sufficient evidence that the animal is in calf.

17.3 Claims under Clauses 17.1 and 17.2 guarantees of fertility shall be made to the vendor within six months from the date of sale or prior to the animal entering a quarantine area other than on the vendor's property.

17.3.1 All claims must be accompanied by a veterinary certificate which shall clearly identify the basis of the claim.

17.3.2 Infertility resulting from injury or disease occurring after the sale of the animal shall not be covered by this guarantee.

17.3.3 The vendor retains the right to have the animal placed on a property nominated by him or returned to his own property for further assessment of fertility for a period not exceeding six months. In the event of the animal being proven fertile within the

DIRECTIONS

period, the costs incurred shall be borne by the purchaser. In the event of the animal not being proven fertile within the period the costs incurred shall be borne by the vendor.

17.4 LIABILITY OF A VENDOR. Except for costs defined elsewhere in the conditions of sale, the liability of a vendor in respect of claims relating to fertility shall not exceed the purchase price of the animal(s) or to provide mutually agreed upon replacement animals.

17.5 REFUNDS. In the event of a claim being substantiated and the purchase price being refunded, the animal/s shall automatically become the property of the vendor and be returned to him or disposed of according to his instructions at his expense.

17.6 This guarantee shall be voided by the purchaser if -

- (a) The animal is returned to the vendor -
- (i) in poor physical condition or with any injury;
- (ii) tests carried out on behalf of the vendor within fourteen days of such return proved positive to any diseases which may affect the animals fertility or ability to breed naturally; or
- (b) the purchaser has collected and stored semen from a bull or embryos from a female.

17.7 In the event of a dispute as to whether a lot is a breeder, such dispute shall be resolved by the vendor and the purchaser and the auctioneer, while he will use his best endeavours to assist, shall have no liability or responsibility in that regard. In the event that a lot is alleged or proved not to be a breeder, the purchaser shall nevertheless be obliged to pay the auctioneer the full purchase price and any other monies or interest payable by the purchaser in accordance with these Terms and Conditions.

18(a) Each lot shall be at the risk of the vendor in respect of any damage or injury, whether by disease, accident or otherwise, for the period that the lot be in the custody of the auctioneer, PROVIDED THAT the auctioneer, its servants, agents and employees shall use all reasonable care to protect and control the lot while it is in the auctioneer's custody AND PROVIDED THAT when a lot has been sold, it shall be at the risk of the purchaser in all respects.

(b) If any vendor brings to the sale premises any lot which is dangerous, or infected with any disease, that vendor shall be liable for all injury, damages, costs, losses, or expenses which the auctioneer may sustain, incur or be put to either directly or indirectly as a result of the vendor so doing. The auctioneer reserves the right, at its absolute discretion, to exclude from the sale, or put out of the sale venue or dispose of, any lot which in its opinion shows signs of any disease, whether infectious, contagious or not, or of any serious fault or of being dangerous.

19. DELIVERY - Except at the discretion of the auctioneer no lot shall be delivered to the purchaser unless payment of the purchase money together with any additional charges incurred including those expenses incurred by the auctioneer pursuant to Condition 14 hereof, is first made by the purchaser to the auctioneer. Release of lots may be withheld by the auctioneer until personal cheques are cleared.

20. In these Conditions:-

- (a) References to "Auctioneer" shall be taken to mean as the context so admits, the selling agent or any member, subsidiary or related corporation or body, officer, agent or employee thereof, authorised by the vendor to conduct the sale of the lot;
- (b) "Purchaser" shall have the meaning ascribed to it in Condition 1;
- (c) "Vendor" shall mean the person or corporation upon whose account lots are offered for sale and where a stud or farm is named shall mean the proprietor of that stud or farm;
- (d) "Lot" shall be taken to mean the animal offered for sale and/or sold by the auctioneer on behalf of a vendor.

IMPORTANT NOTICE

The selling agent, its members, subsidiary or related corporations, officers, agents, and employees for themselves and for those for whom they act while exercising due care provide all information without responsibility and give no guarantee whatsoever as to its accuracy.

All persons who attend the sale do so entirely at their risk and the selling agent, its members, subsidiary or related corporations, officers, agents, employees and its principals, for themselves and for those for whom they act, do not assume or accept any responsibility or liability of whatever nature for any injury or damage whatsoever which may occur.

The hammer price is exclusive of GST but GST will be applied to the final hammer price and included on the invoice.

Upgrades are underway with many stops along the way.

*Thanks for
being part of
our 26th sale*

We wish you a safe trip home,
and hope to see you again
next year.
